Representative Matters

Mr. Price has extensive experience litigating regulatory matters with government agencies including reimbursement issues involving the Kentucky Department for Medicaid Services and the federal Provider Reimbursement Review Board, as well as advising and defending against fraud initiatives under the False Claims Act. Following the federal district court's seminal decision in *Childers v. Memorial Hospital*, 896 F. Supp. 1497 (W.D. Ky. 1995), Mr. Price has successfully argued numerous Medicaid rate appeals for Kentucky hospitals which resulted in additional reimbursements exceeding of \$200 million. Recent cases include *Commonwealth v. RiverValley Behavioral Health*, 465 S.W.3d 460 (Ky. App. 2014); *Commonwealth v. Samaritan Alliance, LLC*, 439 S.W.3d 757 (Ky. App. 2014). Given his experience with government reimbursements Mr. Price represents providers in proceedings involving Kentucky's recovery audit contractor and federal fraud initiatives. With the implementation of Medicaid managed care state-wide in November 2011, he has been increasingly involved in disputes between providers and Medicaid managed care organizations. See *Appalachian Regional Healthcare, Inc. v. Coventry Health and Life Insurance Co.*, 2012 WL 2359439 (E.D. Ky.); 2013 WL 1314154 (E.D. Ky.); 714 F.3d 424 (6th Cir. 2013); 970 F. Supp.2d 687 (E.D. Ky.); 2014 WL 282632 (E.D. Ky.); 2014 WL 1908818 (E.D. Ky.).
